RESOLUTION NO. 3181

WHEREAS, the improvement and renovation of the local plaza and parking area is still in progress. It is bounded in the north by P. Oliveros St., on the east by Antigua Cathedral, on the south by Corina St., and on the west by M.L. Quezon Street;

WHEREAS, the base preparation of the parking area has already completed;

NOW, THEREFORE, after due deliberation and in action taken by Coun Emilio B. Flores duly seconded by Coun Rosalinda E. Leva, be it resolve, as it is hereby resolve to proceed immediately with the construction of the parking area to include correction of base in accordance with the approved plans and specifications, so as to finish the parking area of the town plaza and parking area before the Antigua Cathedral and local plaza.

RESOLVED FURTHER that the said construction be done by administration because it was determined that by doing so the government will save about 30% of the total project cost;

RESOLVED FINALLY, that copies of this resolution be furnished all government officials and/or agencies concerned for their attention, review and reference.

The motion was unanimously approved.

CERTIFICATION

I hereby certify that the foregoing resolution is true and correct.
